Enclosed : TCC Tree plantation activity booklet

Dear Sirs

First of all, we would like to take this opportunity to thank you for your continue support TCC Environment activity 2024 throughout this year.

According to the TCC Trees plantation activity 3rd year on August 4th, 2024 at Ban Noen Sung Community Forest Project, Amphur. Muang, Prachinburi Province, For your participation in the reforestation event was impressive and created memories to make inspiration for stress the importance of forest and together promote the cultivation of trees to replace the deforested and bringing it to our children to have good air and a good environment into the future.

So, we would like to take this opportunity to express our sincere gratitude to all of you to give us good cooperation and support for this activity until it is accomplished, and it significantly contributed to the smooth running of the event.

Sincerely yours,

(Mr. Phonkiat Netikhajorn)
