

Environment policy

The company emphasizes responsibilities towards environmental conservation by adhering to the following guidelines:

1. Strictly comply with the Industrial Estate Authority of Thailand Act, the law, and related environmental regulations.
2. Advocate efficient environmental utilization for maximum benefits.
3. Focus on the pollution management and prevention as well as environmental impact by setting goals and objective to be carried out, revised and continually improved.
4. Instill environmental conscience to employees via training and encouragement to participate.
