Independent Auditor's Report on Review of Interim Financial Information

To the Shareholders of Union Plastic Public Company Limited

I have reviewed the accompanying financial information in which the equity method is applied of Union Plastic Public Company Limited (the Company), which comprises the statement of financial position in which the equity method is applied as at 30 June 2024, and the related statements of comprehensive income in which the equity method is applied for the three-month and six-month periods then ended, and the related statements of changes in shareholders' equity and cash flows in which the equity method is applied for the six-month period then ended, as well as the condensed notes to the interim financial statements in which the equity method is applied. I have also reviewed the separate financial information of Union Plastic Public Company Limited for the same periods (collectively "the interim financial information"). Management is responsible for the preparation and presentation of this interim financial information in accordance with Thai Accounting Standard 34 Interim Financial Reporting. My responsibility is to express a conclusion on this interim financial information based on my review.

Scope of review

I conducted my review in accordance with Thai Standard on Review Engagements 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Thai Standards on Auditing and consequently does not enable me to obtain assurance that I would become aware of all significant matters that might be identified in an audit. Accordingly, I do not express an audit opinion.

Conclusion

Based on my review, nothing has come to my attention that causes me to believe that the accompanying interim financial information is not prepared, in all material respects, in accordance with Thai Accounting Standard 34 Interim Financial Reporting.
